9 immediate importance, takes effect upon enactment.

10 EXPLANATION

11 The inclusion of this explanation does not constitute agreement with  
12 the explanation's substance by the members of the general assembly.

13 This bill alters the laws governing the safe at home program,  
14 elections, voter registration, and civil office vacancies.

15 The bill bars a person who is a registered sex offender  
16 pursuant to Code chapter 692A from enrolling in the safe at  
17 home program, which prevents the addresses of survivors of  
18 domestic violence, sexual assault, trafficking, stalking, or  
19 violent crimes from appearing on public records by providing  
20 substitute addresses.

21 The bill also moves the permissible December special  
22 election date for school districts or merged areas in  
23 even-numbered years from the first to the second Tuesday of  
24 the month in order to resolve a potential conflict with the  
25 prohibition on special elections being held on the first four  
26 Tuesdays following a general election.

27 The bill changes the deadline for filing an objection to the  
28 legal sufficiency of a certificate of nomination or nomination  
29 petition or the eligibility of a candidate from 74 to 68 days  
30 before an election.

31 The bill defines "document" for the purpose of proving  
32 residency under Code chapter 48A (voter registration) to  
33 explicitly allow the use of documents in an electronic format.

34 The bill alters the type of evidence sufficient to cancel  
35 a voter's registration following the voter's death. The bill

1 allows the county commissioner of registration to accept as  
2 proof of death a written statement from the registered voter's  
3 family member within the second degree of consanguinity or  
4 first degree of affinity, an obituary posted on the internet  
5 site of a funeral establishment licensed in Iowa or another  
6 state, or a written statement from the personal representative  
7 of the registered voter's estate.

8     The bill allows a voter who registers on election day by  
9 providing sufficient proof of identity to attest for another  
10 individual's identity pursuant to Code section 48A.7A(1)(c).  
11 The bill also allows a registered voter to attest for the  
12 identity of two people on election day rather than one.

13     The bill alters the process by which the state commissioner  
14 of elections conducts election audits. The bill removes  
15 the current requirement that all ballots in precincts to be  
16 audited be counted by hand. The bill also allows the hand  
17 count to continue in the absence of one or both invited party  
18 representatives, so long as the party representatives receive  
19 two days' notice and the county commissioner of elections  
20 informs the state commissioner of elections of the absence.

21     The bill changes the requirements for membership on the  
22 board of examiners for voting systems, allowing one member  
23 to have been trained in cybersecurity rather than requiring  
24 training in computer programming and operations.

25     The bill requires a person voting by absentee ballot at the  
26 office of the county commissioner of elections to include that  
27 person's voter verification number in the application for a  
28 ballot, as is currently required of voters requesting a ballot  
29 by mail.

30     Under current law, a civil office is vacated if the incumbent  
31 is convicted of a felony, an aggravated misdemeanor, or a  
32 public offense involving the violation of the incumbent's  
33 oath of office. The bill provides that a civil office is  
34 not vacated upon an incumbent's conviction of an aggravated  
35 misdemeanor.
